

Discussion on the CRCSI -2 for 43pl-2 companies

CRC for Spatial Information has funding for 2010-18. The board of 43pl-2 invites you to a closed forum in each region to discuss what your expectations are as a 43pl company from the CRCSI operations and any other views you would like to express.

The 43pl-2 Chairman will make a brief presentation to each meeting to stimulate debate, followed by open and informal interaction. Nominal 2 hours, but we can run longer if required.

Feel free to ring / email any queries or views in to Mike Ridout, or to the 43pl-2 director from your region below.

When and Where ?

Brisbane	15 March 9:30 – 11:30am SKM Floor 7, 32 Cordelia St, South Brisbane	Jack de Lange 3217 2599
Sydney	16 March 10 – 12noon The Vibe Hotel, Alfred St, North Sydney (by Milsons Point railway station)	Ed Garvin 0407 273 217
Melbourne	17 March 10-12noon Geomatic Technologies, 4 Riverside Quay, Southbank	Mark Judd 9694 4244
Adelaide	18 March 10-12 noon Alexander & Symonds 11 King William St, Kent Town Webinar to be arranged at this time – details from Mike Ridout	Jim Curnow 8130 1666 0417 908 180
Perth	19 March 10–12noon Tba	Chris Earls 9228 6800

Other centres will be visited in the next round of visits.

Why ?

- Understand and catalogue individual and collective expectations of 43pl-2 companies so that we can measure how well activities are meeting the needs
- Seek views on what CRCSI 2010-18 should and shouldn't do, eg should it be in education? How can it be a success for you, and how can the CRCSI measure how successful it is being?
- Anything you want to raise in regard to the CRCSI, 43pl-2, and how to engage. If you have something you want to raise, please let us know by 5 March so we can best consider and address the issues
- Promote interaction amongst 43pl-2

Who can attend ?

Only staff from 43pl-2 participants ie **those companies that have executed the foundation contracts**. Mike Ridout will attend in his role as 43pl-2 liaison. We understand not everyone can make the events above and we will also capture the presentation part of the meeting as a screencast (like we did last roadshow) www.crcsi2.com.au/43pl/43pl-2-roadshow-nov09/ and issue a communiqué with material findings in due course. We are also arranging a webinar from Adelaide.

What is the format ?

Interactive presentation from 43pl-2 Chairman Tony Wheeler, and discussion, then informal interaction.

How ?

RSVP to Jane Inall jinall@crcsi.com.au or tel 03 8344 9200 (include which venue)
